Revised Alumni Association Constitution

President's Greetings

Published at The Stout Institute

Menomonie, Wisconsin

Entered as second-class matter June 19, 1926, at the post office
at Menomonie, Wis., under the act of August 24, 1912

EXPLANATION OF THIS ISSUE

This issue is in the nature of an extra one, containing but little alumni news as such, but telling a big story about former Stoutites even so. Here you have the roster of the extra large group who this summer selected—in most cases—their alma mater in which to continue their specific education. Look over the list; you'll probably discover what at least a few of your old cronies are doing this summer, and where they are now located.

We also present the new and revised Alumni Association constitution in the expectation that some new activities among alumni clubs and formation of new clubs will occur this fall. Homecoming at Stout and the various state teacher's conventions should register a real advance in Stout alumni organization in 1928. If progress will continue even as fast as it has since the reorganization of old students which was started a couple of years ago, the efforts of the officers and active association members shall not have been in vain. The Alumnus hopes for many encouraging reports as the local secretaries again get busy and announce, thru this medium, the scheduled gatherings for the coming school term.

Van Duzee Sends Greetings

On the summer session instruction staff appears again the name of the Alumni Association president, Roy VanDuzee of West Allis, Wisconsin. Several hundred of his associates in alumni work have been greeted personally by Mr. VanDuzee this summer. To the hundreds of other graduates, he sends greetings at this time, together with the admonition that the coming year's activity or lack of activity on the part of the near-score of local associations can make or can break the alumni contact movement so hopefully started.

THE CONSTITUTION OF THE ALUMNI ASSOCIATION

PURPOSE: To further the general welfare of our members; to give to the community what Stout Institute has given to us; to uphold the reputation of the school and promote all its interests; to foster a spirit of helpfulness and friendliness among Stout graduates; and by united effort to aid in maintaining the high ideals of its founder, and to carry on the splendid work its President.

BY—LAWS

Section 1 — Officers

The officers shall consist of a Board of five Directors, the President, Vice-President, a Secretary-Treasurer and two members at large. The Secretary-Treasurer shall be an eligible member of the Alumni Association, residing during the school in Menomonie.

Section 2 — Elections

Nominations for officers may be made by any chartered Stout Institute Club or by any ten members of the Alumni Association acting conjointly.

These will be canvassed by the Board of Directors and a ballot prepared and published in the spring Alumnus. The returns will be canvassed and reported in the fall number of the Alumnus. Until the Alumnus is on a permanent paid basis, the election of officers may be made by a majority vote at the annual business meeting of the Alumni Association.

Section 3 — Annual Meeting

The annual meeting shall be held on Alumni Day of Stout Institute, at such an hour and at such a place as the Secretary-Treasurer may designate.

Section 4 — Board of Directors

The Board of Directors shall be chosen annually as follows: At the first election, the President shall be chosen to serve 3 years, the Vice-President and one member at large to serve two years, and the Secretary-Treasurer and the other member at large to serve one year (Retiring President); and thereafter one group shall be elected each year to serve for three years and until his successor is elected and qualified.

The Board of Directors shall have general charge of the business of the Association; shall authorize all disbursements and investments of money belonging to the association or held

in trust by it; shall at each annual meeting appoint from the members of the Association an auditing committee of three and report the results of such examinations to the Association. The Board of Directors shall meet for the transaction of business at the call of the Secretary-Treasurer, or President, or by a petition signed by any three members of said Board.

Section 5 — President and Vice-President

It shall be the duty of the President to preside at the annual meeting of the Association; to act as chairman of the Board of Directors, to be official representative of the Association, and to perform all other duties usually imposed upon such officer.

The Vice-President shall perform the duties of the President in case of the latter's absence or disability.

Section 6 — Secretary-Treasurer

It shall be the duty of the Secretary-Treasurer to keep an alphabetical list of all alumni, together with brief biographical notes pertaining to same; to act as necrologist, rendering an annual report as such necrologist, as prescribed by the Board of Directors; to act as general agent to the Association; and to this end he shall have the general welfare of the organization in charge; to aid in the formation of local alumni clubs, and to keep himself and the Alumni Association informed as to such clubs and societies of alumni of other educational institutions; to attend and keep records of all meetings of the Board of Directors. He shall collect membership dues, keep the seal and accounts of the association; to receive all money belonging to the Association, or funds held in trust by it, and deposit the money and funds in such a manner and under such conditions as the Board of Directors shall from time to time prescribe; to make at each annual meeting a report showing the exact conditions of the finances of the Association, the amount of money received and turned over to the bank, the amount of money expended, and for what purpose expended.

Before entering upon the duties of said office, the Secretary-Treasurer shall give a bond, running to the Board of Directors, for the faithful performance of his duties, in such amount as the Board of Directors shall order and approve. The Board of Directors may at any time order the Treasurer to give a new bond, and a failure on the part of the Treasurer to comply with such orders within 30 days thereafter shall constitute a forfeiture of said office. The disbursement of funds shall be made in accordance with the order of the Board of Directors when signed by the Treasurer of the Association, and countersigned by the President.

All persons who have received a diploma or a degree, or who have been recommended for a degree from the Stout Institute may become active members of the Association.

Section 8 — Associate Members

Any person who has been in attendance in any department of the Stout Institute for a period of not less than one summer session may become an associate member of the Association, provided he has discontinued his work at the College. Provided further, that any member of the Board of Trustees of the Stout Institute and any member of the Faculty of the Stout Institute may also be elected as associate members. The defining of voting and office holding privileges and status of associate members in the local Alumni Clubs, be determined by such local organizations individually. Associate members shall not be eligible to voting and office holding privileges in the national organization.

Section 9 — Fees

There shall be imposed upon each member and associate member of the Association an annual assessment to be determined by the Board of Directors. Provided, however, that the non-payment of said assessment shall not be construed as annulling the membership of any individual; and provided further, that said annual assessment shall not be cumulative.

Section 10 — Standing Committees

In addition to the Auditing Committee provided in Section IV of these By-Laws, there shall be appointed such other committees as the Association or the Board of Directors shall from time to time find necessary and advisable.

3. The report of the General Secretary
4. Report of the Treasurer
5. Report of the Standing Committees
6. Report of Special Committees

Section 13 — Amendments

Section 14 — Robert's Rules of Order

Roberts' Rules of Order shall govern in all cases not provided for by the foregoing By-Laws.

FINANCIAL PLAN

Annual dues \$2.00 to be subdivided as follows:

\$1.00 — one year's subscription to Stout Alumnus

.50 — for local club dues

.50 — for financial needs of the general organization.

The following are motions made and carried at the Annual Meeting of the Stout Institute Alumni, November 5, 1927, which affect the administration of the By-Laws to some extent, but were not made as amendments to them.

1. Moneys collected as subscriptions to the Alumnus shall be turned back to the organization from which they came. Until further notice is given or a change in plan suggested, the one dollar referred to in the financial plan as Alumnus subscription, be deducted from the annual Alumni Association dues, making the dues one dollar per membership, fifty cents of which shall be local club dues, and fifty cents to be given to the national organization for association expenses. (Send to the Secretary-Treasurer of the National Association of Stout Institute Alumni at Menomonie, Wisconsin.)
2. The Secretary-Treasurer be authorized and to draft from the Junior and Senior classes of the Stout Institute, assistants, in the persons of students who are already diploma graduates, therefore full members of the association, whenever secretarial duties assume proportions requiring such assistance.
